

OVERAM Mirage 300

### Concentrate of mobile power !

The all new Mirage 300 laptop delivers Intel Centrino Mobile Technology at your fingertips. More than generous battery life (up to 6 hours), Flash memory card reader, CD-RW + DVD combo optical drive and high-resolution 15.0-inch S-XGA+ screen TFT LCD screen all in a sharp looking anthracite design, the Overam Mirage 300 is perfect for school, office, home or travel.

### The Overam Advantage

#### • Quality

All Overam notebooks are built by an experienced technician with high-quality parts and include a 1-year warranty on parts and labor.

#### • Upgrade-friendly

Most notebooks are made with proprietary hardware, which can make upgrading a painful process. At Overam, we use stock parts that are easily available to the public. Want to add more memory or a bigger hard drive? The easy-access panels make it simple! We also offer laptop upgrade services.

#### • Superior service

In addition to our no-dead pixel plan, the 1-year warranty can be expanded to 3 or 4 years. All of our notebooks are set up and custom-configured before being shipped. When you order a Mirage, it will arrive running smoothly with the latest updates. Most retail stores charge extra for this, but not us! Plus, you get the added benefit of free lifetime e-mail support!

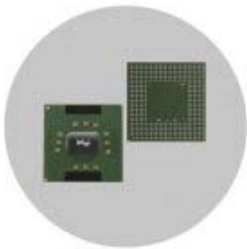

#### • Price-matching

If you find a lower priced notebook with the same specifications, we will match the price!

#### • Extras

Every Mirage 300 notebook package includes a deluxe carrying case, a USB flexible night-light, and a universal power supply — everything you need to get started right away! Mirage 300 Models also include: Four USB ports, 2 built-in speakers, integrated 56Kbps Modem, 10/100/1000 GigaBit Ethernet networking and Windows XP Home Edition® with Service Pack 2 ; OpenOffice® (Microsoft Office® compatible office suite) ; Anti-virus, Spyware removal, Spam filter and Firewall software preloaded.

## Specifications

### Processing

- Model version M3
- Intel Centrino® Mobile Technology
- Pentium® M Processor (700 Series) 1.4 to 2.13GHz
- Intel Celeron M Processor (300 Series) 1.2 to 1.5GHz
- 1MB or 2MB Cache (CPU dependant)
- uFC-PGA2 CPU Package
- Intel® 915PM + ICH6-M chipset
- 400/533 MHz Front Side Bus (FSB)
- From 128MB up to 2GB of memory
- 400/533 MHz DDR2 SDRAM memory
- Two SO-DIMM sockets
- 512KB Flash BIOS

### Video / Graphics

- 15.0" S-XGA+ TFT display
- 4/3 display ratio
- TFT Active Matrix Color LCD display
- 1400 x 1050 resolution
- 16.7 million colors
- 128MB of dedicated memory
- PCI-Express modular architecture
- nVidia GeForce Go 6600 graphics controller
- 1 VGA port/Mini D-sub 15-pin (for external monitor)
- 1 TV-Out connector (S-Video)

### Storage

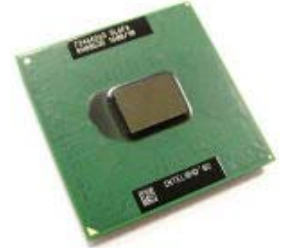

- One 2.5"/9.5 mm 5400 RPM IDE hard disk drive
- 20/30/40/60/100/120 GB HDD (4200/5400/7200 RPM)
- Ultra DMA 100/133 support
- CD-ROM, DVD-ROM, CD-RW, DVD & CD-RW combo, DVD/RW-DL, DVD-RAM
- 3-in-1 universal flash media card reader module :
  - MultiMedia Card
  - Memory Stick Pro
  - Secure Digital

### Audio

- AC '97 and High Definition Audio
- 5.1 / 7.1 Channel Surround Sound
- Two built-in Stereo Speakers
- 1 x Microphone-In
- 1 x Headphone-Out
- 1 x Line-In

### Connectivity

- Built-in 56K MDC v1.5 Soft Modem with V.90/92 support
- Built-in 10/100/1000 GigaBit Ethernet Base T
- Embedded WLAN dual/triple-band antenna (optional)
- Intel® PRO/Wireless 2200BG, IEEE 802.11 b+g (optional)
- Intel® PRO/Wireless 2100, IEEE 802.11 b (optional)
- Intel® PRO/Wireless, IEEE 802.11 A/B/G (optional)
- PCM-CIA 2.1 controller
- PCM-CIA supports one Type II card
- 4 x USB ports (version 2.0)
- 1x IEEE 1394
- 1x S-Video Out
- 1 x RJ11 Modem Connector
- 1 x RJ45 Ethernet Connector
- 1 x DC-in Connector
- 1 x IrDa Infrared Port

#### Miscellaneous

- Anthracite shell color (charcoal grey)
- 86/87/88 full-sized (A4) keyboard
- 19 x 19 mm key caps (2.5 mm travel)
- 5 Hot Keys
- Microsoft® Windows function keys
- Integrated TouchPad with 4-way scrolling slider (up/down)
- Universal auto-switching power supply unit
- Power adapter input : 100-240V AC, 50/60Hz Universal
- Power adapter output : 18.5V DC, 4.9A, 90W
- Smart Lithium-Ion battery (6-cell, 2400mAh, 65Wh)
- Battery autonomy between 3 and 6 hours
- System Status :
  - Power On / Suspend
  - Battery Charging / AC Connected
  - Wireless LAN Enabled / Disabled
  - CAPs Lock
  - NUM Lock
  - Hard Disk & Optical Disk Drives access
- 12.9" x 10.7" x 1.2" (327mm x 272mm x 31,1mm)
- 5.95 lbs (2,7 Kg) with battery

#### Service

- 1-year limited warranty (parts and labor)
- Lifetime Free Technical Support
- Extended warranty program up to 4 extra years (optional)
- Onsite warranty for (continental USA (optional)
- International warranty (optional)
